RAVI AGARWAL

Philanthropy is one of Ravi's focus areas

ABOUT

- Mr. Ravi Agrawal is an Indian business magnate who embodies determination and willingness.
- Mr. Ravi joined the family business in the year 2003 while he was in his first year of Commerce graduation
- According to him, it is crucial for any business entity to soar heights and emerge as a successful organization.

WHAT HE DOES

Every partnership or joint venture of the L7 Group has been very carefully reviewed and designed by the young and energetic Chairman Mr. Ravi Agrawal.

WHAT HE DOES

Mr. Ravi Agrawal does not urge give and take policy. He strongly believes that those who are privileged to have wealth, should contribute significantly and try to create a better world, for those who are less privileged. He contributes a lot of his earnings towards charitable causes

CHARITY

- He has set up sewing schools with good quality equipment, trainers and infrastructure in rural areas
- He took a fresh approach to address and solve critical higher education and workforce challenges
- He has donated towards equipment/machinery to various hospitals
- He also set up water filters at various railway stations for daily commuters.

- During winters he distributes warm clothing to the needy and homeless people
